

**CITY OF HANCOCK
LEGAL NOTICE**

Due to the recent enactment of the new Michigan State Law, Public Act Number 222, all Michigan municipalities with a sanitary and/or storm water collection system are required to post the following message:

In order to be eligible to collect damages, any citizen having experienced an overflow or backup of the City owned sanitary sewer or storm water system, must file a written claim with the City of Hancock. The claim must be submitted within 45 days after the overflow or backup was discovered. The claim should be mailed to Glenn Anderson, City of Hancock, 399 Quincy St., Hancock, MI 49930:Phone number 906-482-1121.

Contact the Hancock Public Works Department at 1601 Tomasi Drive, Hancock, MI 49930; Phone number 906-482-1480 immediately upon discovery of an overflow or backup.
