

City of Hancock

Cemetery Board of Trustees Meeting

October 11, 2016

5:00 P.M.

Members Present: Betty Boxer-Toutant, Mary Pekkala, Tom Vichich

Carol Carli

Also Present: Glenn Anderson, City Manager,

Steve Belo, Sexton

Items Discussed:

- Sexton Steve Belo reported that a new medium sized mower with leaf collector and deck that lifts is needed to replace the current mover which is aging. Other equipment is in working order.
- There were no September burials.
- Sexton Belo will deliver burial records for the summer to Member Pekkala. Member Pekkala will add the information to the Lakeside Cemetery Record.
- Water at the cemetery has been turned off for the year.
- Member Pekkala reported that a member of the Crawford family is supposed to send death records from Hancock from the 1880's, which may help add information to the Lakeside Cemetery Record. The Crawford funeral home was the main funeral home in Hancock during that time.

- Member Pekkala is also looking into the possibility of linking off from the Hancock Cemetery Record, on Hancock’s website, to the “Find A Grave” website which has burial information and pictures of some gravestones.

City Manager Anderson made a motion to adjourn at 5:18, seconded by Member Vichich.

Respectively submitted,

Carol Carli, Member
