

NOTICE TO BIDDERS

PROJECT DESCRIPTION

This project consists of the reconstruction of eight catch basins in Houghton County. The Contractor shall excavate in and around each basin and dispose of any and all damaged material. Replace with new block and mortar and reset covers using new adjusting rings. Restore with new aggregate, HMA and concrete curb as necessary per location. (match existing materials) Mill and resurface adjacent to curb on Quincy Hill 24 to 48 inches wide by 1,163 ft at a minimum depth of 3 inches.. The Contractor is held solely responsible of any damages to existing structures systems or equipment in the work area of each basin. Contact Dan Robillard with questions 906-250-7474.

Bids shall be submitted to the City of Hancock, 399 Quincy Street, Hancock, MI 49930 no later than **Monday, August 17th at 9:00 a.m.** Additional information available at City Hall.

Work shall commence upon approval from the Administering Agency or MDOT, and shall be completed and billed no later than **Wednesday, September 23rd, 2015.**
